

Happy **4th** Of **July**!!!! From the **Willard** City **CERT** Team

There will be special CERT happenings this year for the 4th of July Parade and all day long. Box Elder County will be bringing their all-terrain vehicle - called a SHERP - to our Parade. We will be using it as a Promotional Focal Point for the CERT Program. We will put our Willard City CERT Banners on the Vehicle and be handing out Cert Info Flyers. The SHERP will be followed by a CERT HONOR Float carrying long time CERT Team members who, over the years, have made Willard City CERT program one of the BEST in the State.

Look for us in the PARADE and check us out at the CERT BOOTH in the park.
