WILLARD CITY
Subdivision Land Use Authority (SLUA) – Special Meeting
October 28, 2021 – 2:00 p.m.
Willard City Hall – 80 West 50 South
Willard, Utah 84340

1 The meeting was a special meeting designated by resolution. Notice of the meeting was provided 24 hours
2 in advance. A copy of the agenda was posted at the City Hall and on the State of Utah Public Meeting
3 Notice Website.

4
5 The following members were in attendance:

6
7 Chris Davis, City Manager
8 Colt Mund, City Attorney
9 Bryce Wheelwright, City Planner
10 Chris Breinholt, City Engineer/Jones & Associates
11
12 Van Mund, Fire Chief
13 Michelle Drago, Deputy City Recorder

14
15 Excused: Wes Thompson, Public Works Director

16
17 Others in attendance: Rod Braegger, Debbie Braegger, Trisha Heath, Rachel McIntire, and Garth Day,
18 Heritage Land Holding.

19
20 1. CALL TO ORDER

21
22 Bryce Wheelwright called the meeting to order at 2:00 p.m.

23
24 2A. CONSIDERATION OF FINAL APPROVAL OF THE ROD BRAEGGER SUBDIVISION
25 LOCATED AT APPROXIMATELY 100 SOUTH 400 WEST (02-054-0003)

26
27 Bryce Wheelwright, City Planner, stated that the Rod Braegger Subdivision (also known as the Broke Ass
28 Ranch Subdivision) had received preliminary approval from both the Planning Commission and the City
29 Council. Rod Braegger was now seeking final approval, which would be approved by the SLUA.

30
31 Chris Breinholt, City Engineer, stated that he had not been able to review the final plat, as he had just
32 received it that day. In addition to the final plat, Rod Braegger also needed to submit construction drawings.
33 It was his understanding that 400 West would be constructed at this time, but 500 West would not. The
34 construction drawings also needed to address emergency access.

35
36 Bryce Wheelwright stated that Rod Braegger had worked with adjoining property owners to provide a
37 different emergency access than the private access originally proposed. When Lindsey Hansen requested
38 that 250 West be vacated, he agreed to give the City a dedicated right-of-way for 400 West. Rod Braegger
39 proposed to use Hansen right-of-way to put in an all-weather surface to the Lemon property, which was
40 now owned by Heritage Land Holding. Heritage Land Holding had agreed to let Mr. Braegger continue the
41 all-weather surface access south and then up to 200 West at approximately 200 South where they owned
42 a small strip of land. The small strip was located between the David Pischke and Bart Wade properties.
43 The access would be constructed with road base compacted to support a fire truck.

44
45 Chris Davis clarified that Heritage Land Holding would provide Rod Braegger an easement for the access,
46 but they would not construct it. He asked if the small strip was wide enough for a fire truck. Van Mund, Fire
47 Chief, stated that the access needed to be at least 16 feet wide and have an all-weather surface. He asked
48 if there was a road there now. Garth Day, Heritage Land Holding, said the strip of land was about 50 feet
49 wide. There was currently a two lane track in the approximate location of the proposed access.

Chris Davis asked who would construct the emergency access. Rod Braegger said he would. Mr. Davis
asked if the Braegger's had a written agreement with Heritage Land Holding. Chris Breinholt said there

WILLARD CITY
Subdivision Land Use Authority (SLUA) – Special Meeting
October 28, 2021 – 2:00 p.m.
Willard City Hall – 80 West 50 South
Willard, Utah 84340

50 needed to be an easement documents allowing access across the Hansen and Heritage Land Holding
51 properties. Chris Davis said there was a dedicated right-of-way through the Hansen property. Rod Braegger
52 needed to prepare an easement document for the Heritage Land property.
53

54 Rod Braegger stated that he would have his engineer prepare an easement document for the Heritage
55 Land property, as well as the construction drawings.
56

57 Colt Mund, City Attorney, asked who would be responsible to construct the road improvements through The
58 Orchards Subdivision (Heritage Land Holding property). Garth Day said Heritage Land had agreed to give
59 Rod Braegger an easement through their property. The easement would be located where they had a future
60 road planned.
61

62 There was discussion about whether to grant final approval subject to submission of a final plan and mylar,
63 construction drawings, easement documents, and an engineer's estimate/escrow. Rod Braegger
64 understood he could not receive a building permit until the road had been constructed.
65

66 **Chris Davis moved to grant final approval of the Rod Braegger Subdivision (also known as the**
67 **Broke Ass Ranch Subdivision) subject to the requirements of the City Engineer and City Attorney,**
68 **which included submission of a final plan, construction drawings, final mylar, recordable easement**
69 **documents for the Heritage Land Holding property, and an escrow. Chris Breinholt seconded the**
70 **motion. All voted "aye." The motion passed unanimously.**
71

72 Chris Breinholt stated that he could not find a dedicated right-of-way, or easement, through the Lindsey
73 Hansen property. Bryce Wheelwright said had copies of the Council meeting where the right-of-way was
74 approved, but it might not have been recorded. He would track down the recording document. He thought
75 it might have been prepared by Hill and Argyle.
76

77 2B. DISCUSSION REGARDING PRELIMINARY APPROVAL OF THE ORCHARDS PHASE 2
78 LOCATED AT APPROXIMATELY 300 SOUTH 200 WEST (PARCEL NOS. 02-051-0251 AND 02-
79 051-0087)
80

81 Bryce Wheelwright stated that the Planning Commission had sent preliminary approval of The Orchards
82 Phase 2 Subdivision back to the SLUA and asked that a traffic study on 200 West be conducted.
83

84 Garth Day wasn't sure how to proceed. The designed width and service level of 200 West could handle the
85 increased traffic trips from 12 homes, which was estimated to be 120. Dr. Joe Perrin had told the Planning
86 Commission that 200 West was a collector street with a road capacity of 9500 traffic trips a day, which was
87 a D service level. He didn't know what to do beyond giving that information to the Planning Commission.
88 Did he need to hire an intern to gather current traffic counts?
89

90 Chris Breinholt suggested that Heritage Land Holding prepare a memo outlining the planned capacity of
91 200 West and the estimated number of traffic that would be generated by Phase 2.
92

93 Colt Mund felt the Planning Commission wanted to know what the current traffic count, or usage, was.
94

95 There was discussion about various ways to conduct a current traffic count. Chris Davis suggested that the
96 City utilize a part-time employee to count the traffic and bill Heritage Land Holding for the cost.
97

98 Chris Breinholt felt that counting the current traffic was an exercise in futility.

WILLARD CITY
Subdivision Land Use Authority (SLUA) – Special Meeting
October 28, 2021 – 2:00 p.m.
Willard City Hall – 80 West 50 South
Willard, Utah 84340

99 Colt Mund felt it would be productive. The current traffic count was an issue the Planning Commission kept
100 bringing up.

101
102 Chris Breinholt suggested that the traffic be counted on a Tuesday and Thursday from 7:30 a.m. to 10:00
103 a.m. and 3:00 to 6:00 p.m. each day. He would provide a form to be filled out.

104
105 **Chris Davis moved to hire someone to count the current traffic trips on 200 West from 7:30 a.m. to**
106 **10:00 a.m. and 3:00 to 6:00 p.m. on a Tuesday and a Thursday. Colt Mund seconded the motion. All**
107 **voted “aye.” The motion passed unanimously.**

108
109 Garth Day said Heritage Land Holding would prepare a memo listing the current traffic count on 200 West,
110 the planned capacity, and the estimated traffic that Phase 2 would produce.

111
112 Colt Mund felt a similar memo would be needed from the City Engineer as well.

113
114 2C. APPROVAL OF THE AUGUST 19, 2021, MINUTES

115
116 **Chris Davis moved to approve the minutes of August 19, 2021, as written. Chris Breinholt seconded**
117 **the motion. All voted “aye.” The motion passed unanimously.**

118
119 3. ADJOURN

120
121 **Chris Breinholt moved to adjourn at 2:29 p.m. Michelle Drago seconded the motion. All voted “aye.”**
122 **The motion passed unanimously.**

123
124 Minutes were read individually and approved on: _____
