

~ 2020 WILLARD PATRIOTIC PROGRAM ~

This year, we all have an opportunity of making history here in Willard!! We're going ahead with the patriotic program but in a completely new way.

We're going to self-record the whole program! Using your cellphone, iPad, digital camera or other device, record your skit, reading, musical number, poem, etc. Text one of the people below with your information (name, phone number or email) and a member of the patriotic committee will send you a link as well as help you through the process if needed.

Here are some things to keep in mind:

- 1 – **The final day to submit or upload your production is June 1.** Six weeks away! The entire program will be limited to an hour. We might not be able to use all the numbers offered, but we sincerely appreciate each submission!
- 2 – Each number should be limited to 3 minutes long. Please be respectful of the time allowed.
- 3 – You may **text** one of the following committee members who will send you a link and be available to help you upload your performance, which is a simple process.
- 4 – We will review each number for quality, appropriateness and family-friendly content.
- 5 – The program should be available to view the week of July 4th and thereafter. A link to the program will be available to the Willard Residents Facebook Group, the Willard City website (<http://www.willardcity.com/>) and to the ward areas in which you live. Teri Fellenz, Willard City Recorder, has agreed to allow people to view the program at the city offices in Willard, date and time to be determined. The link will include access to many historical pictures of Willard places, buildings and people.
