Dumpsters this year will be located in the parking area at the City Shop 160 E 300 S. and **will be monitored**. Please be ready to show identification that you are a Willard City resident. The hours will be from 7:00 a.m. to 7:00 p.m., April 22-Saturday April 27. There will be a trailer for metals and batteries. This is a service to the residents of Willard and to continue we need residents to abide by the following:

## Important Announcements

### IN CASE YOU MISSED IT!

**Dominion Energy has sent out a notice to "Current Residents". If you threw it away it was a notice they will be replacing a gas line from 1100 S in Brigham City to Center Street in Willard. The construction is scheduled to begin in April and there will be some temporary lane restrictions and road closures along Highway 89. They anticipate completion in the fall/winter of 2019. Please be patient and careful around work crews. For more information visit the project website at**

**<https://www.dominionenergy.com/FL-127> .**

County Fire Marshal. If the Burn Index is not above 500 on the day you want to burn do not call for a burn permit.

- **Agricultural Burn Permits** - Agriculture burning falls into a little different category and permits can be issued year round, ONLY if the [Clearing Index](#) is above 500 for Airshed 4. In order to qualify for an agriculture burn permit, you must be burning natural vegetation, ie: fruit tree pruning, ditch banks and stubble fields, you must be farming as a livelihood, and your property must be in the greenbelt for taxes. If you meet the criteria for Agricultural Burn Permits and the Clearing Index is above 500 for Airshed 4 call 435-734-3345. Burn Permits for Saturday will be issued on Friday and there is no burning on Sunday.
- **Residential Burn Permits** - The "Residential Burn Windows" are March 30- May 30 and September 15- October 30. Burn permits can ONLY BE ISSUED IF THE [Clearing Index](#) is above 500 for Airshed 4. State requirements limit burning for only natural vegetation, ie: tree trimmings, leaves, etc., can be burned. This means no construction debris, household garbage, tires, etc. can be burned. Other methods of disposal will need to be used for these items. If the date is between the Residential Burn windows and the index is above 500 for Airshed 4 call 435-734-3345. Burn Permits for Saturday will be issued on Friday but you will have to check the Clearing Index before you start burning on Saturday and there is no burning on Sunday.

### Streets and Water-

- **Streets.** Please clear debris from the sides of the roads to allow for spring maintenance along the sides the streets.
- **Water** – Now is a good time to make sure there is clear access to your water meter. Make sure it not covered by dirt, debris, and trim bushes that block access.

**Consumer Confidence Report (CCR).** The 2018 CCR is available on the Willard City Website. Our Public Works Department works hard to provide safe drinking water.

You can help protect our water system. Do you know putting a hose in a pool and then shutting it off without taking it out of the pool can contaminate drinking water? Planning on putting in a sprinkler system. Doing outside watering? Visit our website [www.willardcity.com](http://www.willardcity.com) for valuable information on how to avoid cross connection and for important backflow prevention information. Help protect our water. Check out the Division of Water Resources website for great information on water conservation <https://conservewater.utah.gov/>

- **Sewer** - Property owners are responsible for the sewer clean out at or near the property line. Make sure sewer cleanouts are cut off at ground level and capped or protected to avoid debris from causing costly back-ups into your house and the pipe breaking off.

### Police

- **Dogs** – All dogs over 6 months of age are required to be licensed. Willard City allows 3 dogs maximum per residence. The police department will be following up on unlicensed dogs. Spring is the time the Police Department gets dog complaints. Dogs are required to be on a leash when not on your property. If you take them for a walk to the park or along the streets to "do their business", clean up after them.
- **Lock your vehicles** - Make sure you lock your vehicle doors, even when your car is parked in your driveway and do not leave purses, electronics, cell phones or packages in your vehicle. Report any suspicious activity in your neighborhoods by calling Dispatch at 435-734-3800 for non-emergencies or call 911 if it is an emergency.
- **Scams** –There is always an increase in reported scams regarding the IRS this time of year. **DO NOT** give out personal information over the phone to anyone who calls you or leaves a message for you to call back. Emails are another scam. Do not send personal information by email or click on links even when they appear to come from a friend's email.

# April 18<sup>th</sup>, 2019 GREAT UTAH SHAKE OUT

Willard City Officials and Willard City Emergency Response Personnel would like to encourage every Willard citizen to participate in the annual Great Utah Shake Out activities.

Community members are asked to display a Colored Paper (Red, Yellow or Green) from their Emergency “***Take Action Packet***” in a location that is visible from the street at their home. Display the colored paper during the day until 8 P.M. (Need a “Take Action Packet” for your household??? Contact any CERT Member or Sue at the number below)

CERT activities will include ***FRS Radio*** (9-11) and ***HAM Radio*** (Simplex 146.440) “**Check-In**” at **10:20 A.M.** and **6:30 P.M.** All CERT members are encouraged to “**Check-In**” with their CERT Phone Tree Captains sometime during the day.

For additional **SHAKE OUT** information and activities visit [shakeout@utah.gov](mailto:shakeout@utah.gov).

We ask that each of us take this opportunity to practice. We encourage you to think about and discuss what you would do for yourselves, families and others around you *before, during* and *after* an event such as an earth quake (or any other disaster). Are you prepared to take the actions you discussed? The better prepared we are *prior* to any event, the better we will be able to handle the effects *during* and *after* any situation.

(Don't have a Family “Take Action” Packet? Pick one up at the Willard City Offices)
