Back to School

The Fire danger remains extremely high. Due to the extreme fire danger the City Council has placed the Fire Restrictions in effect

**Fire Restricted Area
East of Main Street
(Highway 89)**

June 23, 2016 – Sept. 15, 2016. Contact the Willard City Office or visit the website – www.willardcity.com for full details of the restrictions.

VOLUNTEER OPPORTUNITY!!! WILLARD COMMUNITY HALLOWEEN PARTY (TRUNK OR TREAT)

We are looking for a leader or leaders to volunteer and organize this event. This activity has been funded by donations of candy, items for the hot dog and chili dinner, and money from the generous members of the community. Many have also donated their time to be trunks and others to help serve food, direct traffic, setup, and clean up.

Our Community has been fortunate to have a great volunteer leader to organize the Trunk or Treat - Community Halloween Party for the last 13 years. Sue Anderson has been a great leader and many thousands (yes thousands) of people have enjoyed the activity over the years. Sue has chosen lucky 13 as the year to step down as the organizer of the event. We want to thank Sue for all she has done to help our kids and families enjoy this event.

If you are interested in volunteering to lead and make this event possible contact the City Office at 435-734-9881.

Upcoming Events

- August 4**
Planning Commission 6:30 p.m.
- August 11**
City Council – 6:30 p.m.
- August 18**
Planning Commission 6:30 p.m.
- August 25**
City Council 6:30 p.m.
- September 5**
LABOR DAY – City Office Closed
Garbage pickup on Tuesday, Sept. 6.

The agendas for the meetings are posted at City Hall and on the State of Utah Public Meeting Notice website at www.utah.gov/pmn.

Important Announcements

Update - UDOT I-15 Project- SLOW DOWN!!!!!! That is the message from law enforcement and emergency responders. There have been a number of accidents in the "Construction Zone" on I-15 and most are a result of distracted driving and going too fast. Please slow down in these areas and pay attention to traffic conditions. Residents have experienced an increase in traffic along Highway 89 as well as delays on I-15. Remember to sign up for email alerts and more project information by going to the following link:

www.udot.utah.gov/i15boxelder.

They can also be found on Facebook and Twitter:

EMERGENCY PREPAREDNESS

What will you do in a disaster or an emergency? What if cell phones, computers and electronics don't work? What if you were ordered to evacuate in minutes? Are you ready? These are all good questions and "That will never happen here" is not a plan nor is "We can wing it" The general rule is you need to be able to survive on your own for at least 72 hours. Are you ready? To help you prepare for such emergencies, Sue Anderson, our CERT Coordinator, has planned some summer activities in preparedness.

Attention All Community Members – "BLOCK PLANS" Update, Regenerate Goals and Upcoming Activities

As Community Emergency Prep Personnel, we are working hard to update our Area Block Plan Systems. Some of our existing Emergency Response Trainers, Block Captains, District Supervisors and many new folks - interested in helping with our Community Block Plans have been asking for training helps and guidance. We are ready to move this program forward. These ERTs, Supervisors and Block Captains are tremendous individuals who have been great about doing their part in the planning and preparations for some upcoming activities.

Having a Block Plan System in place is one thing, having an operational Block Plan System, established and ready to initiate, is the vision we are looking forward to making a reality.

The Block Plan System within our community is based on LDS Ward Boundaries. Within each of these Ward Areas there is an Area Emergency Response Trainer(s) – also known as ERTs. Their job is to set-up the Block Plan within their home Ward Area boundaries and to recruit the man power to make it a practical, sustainable system. This is a big task. Each Ward Area ERT is in a different phase of organizing their Area Block Plan. All of these ERTs need help to accomplish this task. Some Monthly Goals have been established for the upcoming summer months in hopes of helping community members better understand their role in the system and offer opportunities to become involved. We need YOUR help, as citizens of this great community, to help accomplish these goals.

In our continuing effort to update and regenerate our Willard Community/Neighborhood Block Plans, we need your help.....

Our goal for July was for **EVERY FAMILY TO BE VISITED BY A BLOCK CAPTAIN**. Each family visited should have received a DISASTER RESPONSE RESOURCE SURVEY. Your Block Captain or Block volunteer also would have asked to verify that your family has a "FAMILY EMERGENCY TAKE ACTION PACKET."

IF THIS DID NOT HAPPEN FOR YOUR HOUSEHOLD DURING THE MONTH OF JULY – PLEASE CONTACT YOUR AREA EMERGENCY RESPONSE TRAINER (ERT) IMMEDIATELY.

ERTs LISTED BY AREA THEY SERVE: (The Block Plan system is based on LDS Ward Area boundaries)

Willard 1st Ward Area – Renee Beard

Willard 2nd Ward Area – Ed Baumann

Willard 4th Ward Area – Lisa Bailey

Hargis Hill Ward Area – Steve Francis

If the neighborhood you live in has not been involved with the Block Plan – we are asking individuals to step up and volunteer to help establish the Block Plan system for your Block. Contact one of the above folks within your area for more information. You can also contact Willard City Office 734-9881 or Sue Anderson at 723-8903.

AUGUST Goal: EVERY BLOCK TO HOLD A "BLOCK PARTY." At these Block Parties, Block Captains or Neighborhood Volunteers will be sharing information; families can turn in their completed surveys and receive a "Take Action" packet if they need one. AND you'll have a great time mingling with friends and neighbors. Again – your help is needed to make this happen!!! Please volunteer!!!

Our goal for **SEPTEMBER** is for the whole community to **JOIN IN A DISASTER RESPONSE ACTIVITY**, similar to the Great Utah Shake Out event we participated in during April. This will be held in conjunction with the Fall CERT Training classes. More information and reminders will be coming!

Your Community Emergency Response Planning Personnel

Do it for **YOURSELF**, Your **FAMILY**, Your **NEIGHBORHOOD**
And **YOUR COMMUNITY**
