Important Announcements

UDOT UPCOMING PROJECTS:

See the enclosed back page for information regarding upcoming projects in our area.

DEPARTMENTS

❖ Streets, Sewer, and Water-

- **Streets** - Please keep the City right-of-way clear of debris such as yard decorations, rocks, piles of limbs and yard debris, or landscaping or construction materials to name a few.
- **Sewer**- When the temperature starts to cool the Property owners are responsible for the sewer line from the home to the main line. This means you need to be careful of what goes down the drain. Backups are costly! Also, make sure sewer cleanouts are cut off at ground level and capped or protected to avoid breaking them off and debris falling into the line which can also cause back-ups.

NO NEEDLES PLEASE!!!!!!!

The Wastewater Treatment Facility Board has requested we send out notice to residents **NOT** to dispose of needles by flushing them down the toilet. This creates a dangerous situation for the

Wastewater Treatment Plant operators. The following are guidelines for safe household disposal:

Safe Needle Disposal Resources for Utah

In the state of Utah, there is a community sharps disposal drop-off program in Utah County. All other areas may follow the [U.S. Food & Drug Administration](#) guidelines for safe needle disposal.

Guidelines suggest placing used needles in a household container such as a laundry detergent or bleach bottle, or a sturdy, opaque plastic container with a screw-top lid. When the container is 3/4 of the way full, seal the lid with duct tape, label "DO NOT RECYCLE" and place container in your regular trash.

- **Water** –Pay attention to the usage on your water bill. Get a good idea of what your average usage is and compare it from month to month! Slow the flow and do not water between 10 am and 6 pm.
- **City Parks –PLEASE - PLEASE - PLEASE CLEAN UP AFTER YOUR DOGS!!**

❖ **Police**

- **VEHICLE THEFTS** – There have been 3 vehicle thefts (the vehicles have been stolen) on the east side of town. PLEASE DO NOT leave your keys in the car or your vehicles unlocked. Two of the vehicles have been recovered and the department is still investigating the third.
- **DOGS** – If you are a dog owner, license your dog, keep them on a leash when walking them, control barking- especially at night and clean up after them if they "do their business" anywhere that is not in your yard!
- **THEFTS AND VEHICLE BURGLARY** – The Police Department continues to get reports of items stolen out of yards and vehicles. Put items away. Lock garages, storage sheds and lock your vehicles. Don't leave purses, bags, electronics, coins, personal information in your vehicle and if you do, don't leave them in plain view. Report suspicious activity when you see it! The number to Box Elder County Dispatch is 435-734-3800 for non-emergency calls. If it is an emergency call 911.
-

SCHOOL NEWS

School begins August 21st for Promontory Charter School and August 27th for the Box Elder School District. Contact the school district for additional information.

US-89 CONSTRUCTION ON THE HORIZON

Starting in September, US-89 will be under construction from Hot Springs to Perry. UDOT will be adding a chip seal onto US-89 for 8 1/2 miles to extend the life of the pavement. UDOT will also install a new signal at the 750 North; US-89 intersection.

UDOT will hold a public meeting to discuss the new signal and the project in general. Watch for a public meeting invitation in the coming weeks!

For more information, sign up for e-mail updates by mailing us89willard@utah.gov. Call us at 801-483-3444 if you have any questions.
