Hi, my name is Rex Christensen, it is an honor for me to run for the position of Willard City Council Member. I was born and raised in Willard and I am the son of Tom and Joan Christensen. After my wife Angie and I got married we lived in Willard for two years. We moved and lived in various places (Clearfield, Hyde Park, Perry) for about 24 years before deciding to move back to Willard. We have been here for five years and plan to spend the remainder of our days in this beautiful place.

The heart and soul of this town have always been its people. Willard has a wonderful history of people who have a love for their family, their community, their country, and their faith. The leaders in Willard have, and continue, to do a good job as stewards of this community. I understand the long-standing challenges and growing pains of Willard. My goal as your city council member is to make sure that your voice is heard and that I represent all of you as we continue to make Willard a place we can call home for now and generations to come.

Thank You.
