## ***It's the most wonderful time of the year!!!!!!***

### *Farewell*

*It is with excitement, wonder, and a little sadness we say farewell to the citizens of Willard City. For the past 21 plus years we have had the privilege to serve the residents of this community. We wish to thank you for that opportunity. There is a saying that says "Everyone brings joy into this office, some when they enter and some when they leave." The ones who were in the leave category we tried our best to treat them with kindness and respect. In the end many honored us with their trust and often would just stop by to drop off their water bill and talk. Many will never enter the door again.*

*2020 has been an unusual year to say the least. It started off with an earthquake followed by a pandemic, fires, drought and let's not forget the 2020 windstorm and a week long power outage for some. We have been masked and socially distanced, which has not made this year easy for any of us. We have seen it in the faces of residents who have been unable to visit loved ones after having to place them in care facilities, those that have lost loved ones, and those who are feeling the economic stress. Despite all this we have seen a community that comes together in times of crisis. We thank the emergency response teams for being there and the Mayor for allowing so many a place to haul trees and branches as we dug out. We also thank all the residents that pitched in to help their neighbors.*

*There are so many who have stepped up as Mayors, City Council members, Planning Commissioners, Fire Department, CERT, 4<sup>th</sup> of July, Youth Baseball, etc. we have had the opportunity to serve with and there is not enough space to thank each and every one of you. We do so appreciate you all for your service as well as your dedication to this community. We especially want to thank the staff we have worked with and want you to know they do an exceptional job with the tools they have. We want to welcome Michelle Vest Snarr who will be serving as City Recorder and we ask for the residents patience as she becomes familiar with our great community.*

*So as we now say goodbye to 2020 we also say goodbye as employees. "Due to Covid", a phrase we will never miss, we will be unable to have an open house to properly say goodbye. After we announced our retirements in June, many have offered their congratulations and views on retirement over the past few months. For those who haven't had the chance, we invite you to stop by the City Office.*

*Our hope and prayer is for a brighter 2021 for each and every one of you. We appreciate those that have helped us through our time with Willard City. We wis*

Respectfully,

Teri Fellenz, City Recorder  
Gaylene Nebeker, Deputy City Recorder

## Upcoming Events

The agendas for the meetings are posted at City Hall and on the State of Utah Public Meeting Notice website at [www.utah.gov/pmn](http://www.utah.gov/pmn).

## Important Announcements

### **DOG LICENSES AND BUSINESS LICENSES EXPIRE DECEMBER 31, 2020**

Notices have been sent for renewals of business licenses and dog licenses. Please promptly renew your licenses. We now can take credit card payments (a processing fee will apply).

## GARBAGE PICK UP

This is a note from our garbage hauler Econo-Waste – Please do not **overload** garbage containers. If the lid on the container is open more than 2 inches, it is considered overloaded, do not put bags or boxes outside the container. Dumping overloaded containers causes messes that our drivers do not have time to clean up. It is also difficult to grab a container that is surrounded by excess waste and boxes without making a mess as well. We would like to help keep your city as clean and sanitary as possible, so please let residents know that if their waste does not fit into their container, we politely ask that they contact the City to order another one. Please remind residents that ashes should **NEVER** be placed in any waste container. Even if it seems like the ashes have burned out, they can possibly re-light as a container is dumped and exposed to the wind and air. This is a huge concern for us, as it could potentially cause serious damage to our equipment and can put our drivers in danger.

## RABIES CLINIC

### RABIES CLINIC

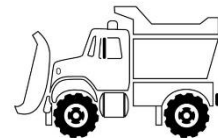

Due to the Governor's Directives on large gatherings and social distancing requirements Willard City **will not** be able to hold a Rabies Clinic the first Saturday of January. We will look at the possibility of holding one in the spring where we can hold it outside. Watch the website and future newsletters for more information. Please contact your local veterinarian if you need to get shots before then.

## Snow Parking???

Chief Fielding would like residents to help by voluntarily moving vehicles, trailers, etc. from the City right-of-way to aid in snow removal. City Code 10-340 (B) states: *"It is unlawful to park a vehicle on a street at any time when such parking shall interfere with the City's efforts to remove snow from City streets or any other public works activity's which requires the removal of vehicles from the street. Any such vehicle is declared to be a public nuisance."* We are concerned for the safety of our snow plow drivers and want to avoid damaging the City equipment and your property. If the snow cannot be pushed off the asphalt it melts across the road and freezes during the cold nighttime hours. This causes hazardous conditions for drivers and pedestrians. **Do not plow the snow from your driveway into the streets** as it freezes and damages the snow plows as well as creates a hazard for motorists and pedestrians. It is also a violation of City Code! **If necessary vehicles will be towed at the owner's expense.** **Please remove garbage cans from the street as soon as possible after they have been dumped to help with snow removal.**

Christmas is prime time for thefts. Don't leave valuables (Christmas presents, purses, computers, cell phones) in your vehicles, lock your vehicles and house doors. Do not start vehicles and leave them running to warm up. If you see suspicious vehicles or individuals in the area, report it **immediately**.

Chief Loveland would rather check things out and avoid such incidents. Call BE County dispatch at 435-734-3800 option 0 for non-emergencies and 911 if it is an emergency.

## DEPARTMENTS

### ❖ Streets, Sewer and Water-

- **Water** –Water Meters – The snow season is coming upon us. As the snow flies please make sure your meters are accessible in case of an emergency. If it begins to get below freezing for a period of time consider leaving a tap dripping to avoid frozen lines.
- **Streets** – Please keep the city right of way clear of debris and remember to move trailers and vehicles well off the road.

### ❖ Police

#### ○ Chief Fielding

The Chief also reminds residents once again to call dispatch 435-734-3800 Option 0 (or 911 if it is an emergency) to report thefts, request VIN verifications, or any other reason you need a police officer to respond. City office personnel do not have direct contact with the officers.

*Shop local businesses for great gifts for your special someone!!*
