Happy New Year!!!!!!

United States Census 2020

Census 2020

What is a census and why is it important? Once a decade, America comes together to count every resident in the United States. Why is the Census important? **Participating in the census is in everyone's best interest**, because the information on the forms is used by decision-makers to determine which communities, schools, hospitals and roads need federal funding. **Your response matters.** Health clinics. Fire departments. Schools. Even roads and highways. The census can shape many different aspects of your community. Please respond to Census requests. For more information check out <https://2020census.gov/>.

2020 New City Council members

We would like to thank our outgoing City Council members Mike Crossley, Del Freddo and Jared Profaizer for all their hard work and dedication to the citizens of Willard City and wish them well in their future endeavors. Welcome to our new City Council members John Seamons, Fred Ward and Kaleb Kunzler.

Dog Licenses

Licenses are available and renewals are due by January 31, 2020. A reminder Willard Ordinance allows a maximum of 3 dogs per residence. Proof of rabies may be required for renewal. If your dog's rabies vaccination expires before July 1, 2020. Proof of rabies will be required prior to renewal. The annual rabies clinic was held on January 4, 2020. Thanks to all who participated.

Business Licenses

Business license renewal notifications have been sent out. Business licenses are to be renewed by January 31, 2020

Speed Limits

Chief Loveland reports issues with excess speeding along 200 West and states "The speed limit on city streets is 25 mph unless posted otherwise" and citations will be issued if caught! She will be enforcing a zero tolerance rule.

Garbage Cans

Please remember to remove your garbage can from the sides of the road as soon as possible after the garbage truck has dumped them. At this time of year it will help with snow removal and city maintenance along the right of way.

Upcoming Events

January 9

City Council – 6:30 p.m.

January 16

Planning Commission 6:30 p.m.

January 20

Martin Luther King Jr. Day – City Office Closed – Garbage will be picked up!

January 23

City Council – 6:30 p.m.

The agendas for the meetings are posted at City Hall and on the State of Utah Public Meeting Notice website at www.utah.gov/pmn.

Important Announcements

The orange barrels are gone! Dominion Energy will be doing some follow up road repairs in the spring when the weather warms up. They are now on 300 N and will be moving across 300 East here in Willard to eventually end up at the Box Elder County line.

WATER LEAKS

Please pay close attention to your water usage. Is it increasing? Are you using more than the 5,000-10,000 average for winter months? If so you might have a leak and it could become costly in many ways!

Snow Parking???

Chief Loveland would like resident to help by voluntarily moving vehicles, trailers, etc. from the City right-of-way to aid in snow removal. City Code 10-318 (2) states: "It is unlawful to park a vehicle on a street at any time when such parking shall interfere with

the City's efforts to remove snow from City streets or any other public works activities which requires the removal of vehicles from the street. Any such vehicle is declared to be a public nuisance." We are concerned for the safety of our snow plow drivers and want to avoid damaging the City equipment and your property. If the snow cannot be pushed off the asphalt it melts across the road and freezes during the cold nighttime hours. This causes hazardous conditions for drivers and pedestrians. **If necessary vehicles will be towed at the owner's expense. DO NOT PLOW SNOW FROM YOUR DRIVEWAY INTO THE STREET AND PLEASE REMOVE GARBAGE CANS AS SOON AS POSSIBLE.**

DEPARTMENTS

❖ Streets, Sewer and Water-

○ Water –

Water Meters – The snow season is upon us. As the snow flies please make sure your meters are accessible in case of an emergency. If it begins to get below freezing for any period of time consider leaving a tap dripping to avoid frozen lines.

○ **Sewer-** Property owners are responsible for the sewer line from the home to the main line. Make sure sewer cleanouts are cut off at ground level and capped or protected to avoid breaking them off and protecting them from debris which can cause costly backups of sewage into your home.

○ **Streets –** Please keep the city right of way clear of debris and remember to move trailers and vehicles well off the road. Do not plow the snow from your driveway into the streets as it freezes and damages the snow plows as well as creates a hazard for motorists and pedestrians. It is also a violation of City Code!

❖ Police

○ Chief Loveland

The Chief reminds residents once again to call dispatch 435-734-3800 Option 0 (or 911 if it is an emergency) to report thefts, request VIN verifications, or any other reason you need a police officer to respond. City office personnel do not have direct contact with the officers.

Also a number of vehicle burglaries have happened in the area. The windows have been broken out and purses and other valuables have been taken. Please do not leave vehicles unlocked and do not leave valuables such as purses, wallets, electronics, or tools in vehicles – locked or not.
