Happy New Year-Out with the old in with the new!

Welcome New Employees!

We want to welcome Michelle Snarr as the new City Recorder and Julie Chaudoin as the new Deputy Recorder. We ask for your patience as they continue to learn about our great community!

Here are some great New Year's resolutions

- 1. Check and test your smoke/carbon monoxide detectors.** Do they work? If not, get them replaced – NOW! If you do not have any, get some – NOW!
- 2. Check the tires, lights and windshield wipers on your vehicle.** Do the tires have enough tread? Get a safety inspection even if it is not required. Also make sure current registration and insurance information is in the vehicle.
- 3. Check to see if your address visible from the street.** Drive by your house and look how quickly you can find it, but remember you know where it is.

Dog Licenses

We will not be holding a rabies clinic this year. Post cards were sent out early in December and renewals are due by January 31, 2021. All dogs over 6 months of age are required to be licensed and Willard Ordinance allows a maximum of 3 dogs are allowed per residence.

Business Licenses

Business license renewal notifications have been sent out. Business licenses are to be renewed by January 31, 2021.

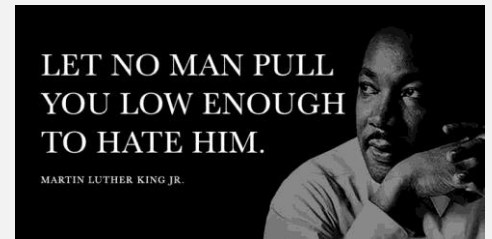

WATER LEAKS

Please pay close attention to your water usage. Is it increasing?

Are you using more than the 5,000-10,000 average for winter months? If so you might have a leak and it could become costly in many ways!

Important Announcements

Martin Luther King Jr. Day
January 18, 2021

Snow Parking???

Chief Fielding would like resident to help by voluntarily moving vehicles, trailers, etc. from the City right-of-way to aid in snow removal. City Code 10-318 (2) states: "It is unlawful to park a vehicle on a street at any time when such parking shall interfere with

the City's efforts to remove snow from City streets or any other public works activities which requires the removal of vehicles from the street. Any such vehicle is declared to be a public nuisance." We are concerned for the safety of our snow plow drivers and want to avoid damaging the City equipment and your property. If the snow cannot be pushed off the asphalt it melts across the road and freezes during the cold nighttime hours. This causes hazardous conditions for drivers and pedestrians. **If necessary vehicles will be towed at the owner's expense.** **DO NOT PLOW SNOW FROM YOUR DRIVEWAY INTO THE STREET AND PLEASE REMOVE GARBAGE CANS AS SOON AS POSSIBLE.**

DEPARTMENTS

❖ Streets, Sewer and Water-

○ Water –

Water Meters – The snow season is upon us. As the snow flies please make sure your meters are accessible in case of an emergency. If it begins to get below freezing for a period of time consider leaving a tap dripping to avoid frozen lines.

○ **Sewer-** Property owners are responsible for the sewer line from the home to the main line. Make sure sewer cleanouts are cut off at ground level and capped or protected to avoid breaking them off and protecting them from debris which can cause costly backups of sewage into your home.

○ **Streets –** Please keep the city right of way clear of debris and remember to move trailers and vehicles well off the road. Do not plow the snow from your driveway into the streets as it freezes and damages the snow plows as well as creates a hazard for motorists and pedestrians. It is also a violation of City Code!

❖ Police

○ Chief Fielding

The Chief also reminds residents once again to call dispatch 435-734-3800 Option 0 (or 911 if it is an emergency) to report thefts, request VIN verifications, or any other reason you need a police officer to respond. City office personnel do not have direct contact with the officers.

MORE.....

FROM THE BEAR RIVER HEALTH DEPARTMENT VACCINE

The Utah Department of Health has produced a webpage to keep you up to date on the status of COVID-19 vaccine approvals, provide an anticipated timeline for vaccine distribution, and to answer many of your questions. Please click [HERE](#) to visit that page.

The Utah Department of Health has also added a vaccine tracker to their dashboard. This will allow you to see vaccination progress in the state. Please click [HERE](#) to visit that page.

Are you a healthcare provider with questions about when you will be eligible to receive this vaccine? Please contact us at mweibel@brhd.org to ensure you are on our list.
