## City Council Corner

It is summer time. Children will be outside playing. Please be cognizant of them, especially as there isn't sidewalk in many of our neighborhoods.

**PLEASE USE WATER SPARINGLY THIS SUMMER!!!**

On March 17, 2021, Governor Spencer J. Cox issued an Executive Order declaring a state of emergency due to drought conditions. As you are aware, 100% of Utah is in drought. 2020 was one of the hottest and driest summers on record, snowpack was well below average this year, and soil moisture is at an all-time low. We believe taking action now is critical – especially because we don't know how long these drought conditions will continue. We are asking residents to do everything they can to conserve water by reducing outdoor watering, postponing landscaping projects, and finding other ways to clean driveways and sidewalks.

**Good-bye...? Oh no, please. Can't we go back to page one and do it all over again? - Winnie the Pooh**

There has been a library in Willard City for over thirty years. Its first location was the old post office on Main Street. Then it moved to the Willard City Building. Sharon Zundel and Joan Baddley were the original librarians. The library's main purpose is outreach. There has been a small library in the City building, but its main focus is outreach to communities throughout Box Elder County. Its volume has grown to over 50,000 books that are transported throughout the County in two trucks. Each truck carries over 5,000 books! Every year ??? books are checked out of the bookmobiles. Due to its need for more space, the library is moving to a larger location in Tremonton. Wednesday, May 26, 2021, was the last day the Willard Library was open to public. The bookmobile will continue to make its regular stops in Willard and South Willard every other Tuesday.

The Library will be holding a book sale on the first three Tuesdays and Wednesdays of June. The hours will be: Tuesdays June 1, 8, and 15 from 9:00 a.m. – 2:00 p.m. Wednesdays June 2, 9, and 16 from 11:00 a.m. to 4:00 p.m. Sale days will be added or subtracted as needed. Paperbacks will be \$0.25; hardbacks \$0.50; and DVDs and audiobooks will be \$1. Volume discounts are available.
