DEPARTMENTS

❖ Streets, Sewer, and Water-

- **Streets** - If your house is on a corner, please be aware of bushes, trees, etc. that block the view of oncoming traffic. Trim them to a height that both so passenger vehicles and larger vehicles, such as the City snow plows and dump trucks have a clear view of traffic coming both ways. Please also keep the City right-of-way clear of debris such as yard decorations, rocks, piles of limbs and yard debris, or landscaping or construction materials to name a few.
- **Sewer**- Property owners are responsible for the sewer line from the home to the main line. This means you need to be careful of what goes down the drain. Backups are costly! Also, make sure sewer cleanouts are cut off at ground level and capped or protected to avoid breaking them off and debris falling into the line which can also cause back-ups.
- **Water** –Pay attention to the usage on your water bill. Get a good idea of what your average usage is and compare it from month to month!
- **City Parks** – The new Nature Park is still under construction and will continue to be a construction area for the summer. Plans are to erect two bowery structures, playground equipment, and rest rooms. Again these are construction areas. We are anxiously awaiting the safety railings extending off the bridge around the corners so it can be opened. We will keep you updated, but encourage you to enjoy the walking path and beautiful view of the area. **PLEASE - PLEASE - PLEASE CLEAN UP AFTER YOUR DOGS!!**

❖ Police

- **DOGS** – If you are a dog owner, license your dog, keep them on a leash when walking them, control barking- especially at night and clean up after them if they “do their business” anywhere that is not in your yard!
- **THEFTS AND VEHICLE BURGLARY** – Summer is prime time for items stolen out of yards and vehicles. Put items away. Lock garages, storage sheds and lock your vehicles. Don't leave purses, bags, electronics, coins, personal information in your vehicle and if you do, don't leave them in plain view. Report suspicious activity when you see it! The number to Box Elder County Dispatch is 435-734-3800 for non-emergency calls. If it is an emergency call 911.
- **DOOR-TO-DOOR SALES** - It's Spring and there are always Door –to-door sales people around. We have received complaints regarding asphalt coatings or resurfacing. Door-to-Door Sales people are required to have a Willard City Business License. It is ok to ask them. If they cannot show you the license call Box Elder County Dispatch at 435-734-3800 and an officer will check them out. Don't pay up front and if you suspect fraud contact the Police immediately.
