### **Notice of Interim City Council Vacancy**

The Willard City Council has an interim vacancy for Council member. The replacement will complete the term of Council member Mitch Zundel. Mitch has served on the Council since January of 2008. We thank Mitch for his dedication and service to the residents of the community and wish him the best in his future endeavors.

An official notice to fill the vacancy is posted at the City Hall, the State of Utah Public Meeting Notice website [www.utah.gov/pmn](http://www.utah.gov/pmn) and on the Willard City website.

**Spring** is here and it is great to see the sunshine, beautiful flowers and all the people out and about!

- ❖ **Youth Baseball** starts Monday, May 5. Games are Mondays and Thursdays. Please park in designated areas and do not drive recreational vehicles and golf carts on the park. Good luck to all the teams, but most of all HAVE FUN!!!
- ❖ **New Walking Trail** - Enjoy the great weather by taking a hike on the new walking trail. Thank you to the volunteers who made it possible. To keep everyone safe there will be no mining, archery, paintballing, hunting or camping in the dike area. Please help keep it clean.
- ❖ **Dogs** – Don't forget to keep your dog on a leash when out walking and clean up after them.
- ❖ **Door-to-Door Sales** – Door-to-door salespeople are required to have a City business license. If you ask them they may say yes because they have been licensed by the County or another community. It is OK to ask to see the license or you can call BE County Dispatch at 435-734-3800 and an officer can check it out.
- ❖ **Burn Permits** – Burn permits are issued by the County Fire Marshal's Office at 435-734-3833. They will only be issued until May 30<sup>th</sup>. To burn on Saturday you will need to call on Friday to get the permit. An alternative to burning is the Green Waste/Recycling Facility located at 820 N 1200 W (Watery Lane) just north of the sewer treatment plant in Brigham City. No burning is allowed on the City right-of-way.

## Water Conservation

It's not too early to think about water conservation. When planting your flower beds think about using drought tolerant plants. Do not water between 10:00 a.m. and 7:00 p.m. For more information go to [www.waterwiseutah.org](http://www.waterwiseutah.org).

**Water meters** – Most of the water meters are radio read meters. It is important that the meter remain accessible in case an emergency shut off is needed. If you need your meter turned off, for any reason, please contact the City Office or for after hours emergencies call 435-734-3800.

**Sewer service lines & clean outs** – A reminder to watch out what you put down your drains and toilets. Things like diapers (yes there have been some), feminine products, etc. can cause a backup. This is not pleasant for anyone. If it is caught in the service line (between your house and the main line) you will be responsible for cleanup and repairs. Make sure cleanouts are accessible and have caps. They need to be at ground level or protected if they are above ground level.

**Irrigation water** - Residents that have irrigation water are responsible for keeping the water contained on their property. If you have problems contact the ditch master listed on your schedule.
