Golden Spike 150 year event - There will be many visitors through the area the first part of May and especially on May 10, 2019 to celebrate the 150th anniversary of the completion of the Transcontinental Railroad at the Golden Spike. See <https://spike150.org/> for a list of activities and celebrations all

over the state.

Thank You- to all those who used the dumpsters for city clean up last week. Every little bit helps to keep Willard City looking great. With all the wet weather, grass and weeds have really grown tall and will become a fire hazard if not taken care of now. Take time to look around your property and trim back trees, weeds and grass to avoid fire issues. Also, clear debris from around structures to keep your family and home safe.

BURN PERMIT INFORMATION

Burn Permits - NO BURN PERMITS WILL BE ISSUED UNLESS THE CLEARING INDEX IS ABOVE 500 for Airshed 4. Links to check the index are available at www.willardcity.com. The Division of Air Quality regulates this, not the County Fire Marshal. If the Burn Index is not above 500 on the day you want to burn do not call for a burn permit.

- **Agricultural Burn Permits** - Agriculture burning falls into a little different category and permits can be issued year round, ONLY if the Clearing Index is above 500 for Airshed 4. In order to qualify for an agriculture burn permit, you must be burning natural vegetation, ie: fruit tree pruning, ditch banks and stubble fields, you must be farming as a livelihood, and your property must be in the greenbelt for taxes. If you meet the criteria for Agricultural Burn Permits and the Clearing Index is above 500 for Airshed 4 call 435-734-3345. Burn Permits for Saturday will be issued on Friday and there is no burning on Sunday.
- **Residential Burn Permits** - The "Residential Burn Windows" are March 30- May 30 and September 15- October 30. Burn permits can ONLY BE ISSUED IF THE Clearing Index is above 500 for Airshed 4. State requirements limit burning for only natural vegetation, ie: tree trimmings, leaves, etc., can be burned. This means no construction debris, household garbage, tires, etc. can be burned. Other methods of disposal will need to be used for these items. If the date is between the Residential Burn windows and the index is above 500 for Airshed 4 call 435-734-3345. Burn Permits for Saturday will be issued on Friday but you will have to check the Clearing Index before you start burning on Saturday and there is no burning on Sunday.

Streets and Water-

- **Streets.** Please clear debris from the sides of the roads to allow for spring maintenance along the sides the streets.
- **Water** – Now is a good time to make sure there is clear access to your water meter. Make sure it is not covered by dirt, debris, and trim bushes that block access.

BACKFLOW PREVENTION

You can help protect our water system. Do you know putting a hose in a pool and then shutting it off without taking it out of the pool can contaminate drinking water? Planning on putting in a sprinkler system or doing outside watering? Visit our website www.willardcity.com for valuable information on how to avoid cross connection and for important backflow prevention information. Help keep our drinking water safe and protect our water system. Check out the Division of Water Resources website for great information on water conservation <https://conservewater.utah.gov/>

- **Sewer-** Property owners are responsible for the sewer clean out at or near the property line. Make sure sewer cleanouts are cut off at ground level and capped or protected to avoid debris from causing costly back-ups into your house and the pipe breaking off.

Police

- **Dogs** – All dogs over 6 months of age are required to be licensed. Willard City allows 3 dogs maximum per residence. The police department will be following up on unlicensed dogs. Spring is the time the Police Department gets dog complaints. Dogs are required to be on a leash when not on your property. If you take them for a walk to the park or along the streets to "do their business", clean up after them.
- **Lock your vehicles** - Make sure you lock your vehicle doors, even when your car is parked in your driveway and do not leave purses, electronics, cell phones or packages in your vehicle. Report any suspicious activity in your neighborhoods by calling Dispatch at 435-734-3800 for non-emergencies or call 911 if it is an emergency.
- **Scams** –There is always an increase in reported scams regarding the IRS this time of year. **DO NOT** give out personal information over the phone to anyone who calls you or leaves a message for you to call back. Emails are another scam. Do not send personal information by email or click on links even when they appear to come from a friend's email. Spring also brings out door-to- door sales people. Ask for their Willard City Solicitor's license. If they do not have one call Box Elder County Dispatch at 435-734-3800 and an officer will check them out. Some are very forward and if you feel threatened by the sales person call 911.
