Elementary School Registration

The time is quickly approaching for the start of the new school year. We hope you are enjoying your time off and are excited to return.

Registration packets have been sent and existing students should be receiving them within the next few weeks.

For those of you new to the area, students Kindergarten through 1st grade will attend Willard Elementary School (734-4934); students in 2nd - 5th grades will attend Three Mile Creek Elementary School (734-4930) in Perry. Please contact the school if you have a new student so they can get you a registration packet.

Streets

Please clear branches, yard waste, piles of rocks and dirt from the city right-of-ways. The City Maintenance department has been unable to maintain some areas because of the debris. There have also been instances where residents have, and continue to dump their yard waste on vacant lots despite a number of requests not to do so in previous newsletters. Those caught dumping along the city right of way and vacant lots will be issued a citation.
