## February 2013

### Water

We want to thank residents for their cooperation by keeping a small steady stream of water running to prevent frozen lines. Because of the extended period of temperatures well below freezing, we ask you continue to keep water running even if the temperatures go above freezing during the day. It will take several days of temperatures above 40° before the danger of freezing lines is gone. Please don't be concerned about the overages. It is unlikely most households will exceed the 25,000 gallons. Also, uncover your water meter should it be necessary to shut the water off because of broken lines.

**Payment Information:** We have a drop box outside the west doors. Willard City Office hours are Monday thru Friday from 9:00am to 5:00pm. Water bills are sent out the 5<sup>th</sup> of the month and are due by the 20<sup>th</sup>.

### Snow

The City Maintenance Personnel have been very busy this past month. We appreciate your patience as they continue to catch up. We still have a couple of more months of winter. Remember to remove vehicles or park at least 5 ft. from the asphalt during snow storms to avoid damage to your vehicles and to allow safe passage of the snow plows. Also do not to plow snow into the road or plow gravel and dirt onto city property such as park areas. Please place it along side the road on your property. If there is a fire hydrant near your house move the snow away so it can be easily accessed if there is a fire. The house you save could be your own!

**Dog Licenses** - We have licensed 230 dogs to date. Many residents took advantage of the rabies clinic and 60 dogs were licensed on that day alone. Dog licenses became delinquent on February 1<sup>st</sup> and a \$5.00 late fee has been added. **If you no longer have your dog please contact the City Office so the dog can be removed from the records.**

**All** dogs over 6 months of age are required to be licensed. The licenses are available at the City offices. The cost is \$5.00 (now \$10) for dogs that are spayed or neutered and \$15.00 (now \$20) for those that are not. Proof of current rabies vaccination and proof of spay or neuter is also required. Please put the tag on your dogs to help identify the owner should your dog get loose.

Willard City Ordinance requires all dogs be kept on a leash and if taking your dog outdoors please be mindful and clean up after them.

**Business Licenses** - Business licenses are also delinquent and late fees have been added. If you no longer operate your business contact the City Office. If you have any questions, contact the City Office.

### Planning Ahead - 4<sup>th</sup> of July Celebration

It is hard to believe with all the snow, the 4<sup>th</sup> of July is just around the corner. The 4<sup>th</sup> of July committee will soon start planning for this year's event. If you would like to volunteer to help with the celebration contact Marjorie Ross at 435-734-0556 or 435-730-0465 or the Willard City Offices 435-734-9881. Watch upcoming newsletters for more information.

### Elections

Willard City will hold a Municipal General Election on November 5, 2013. The offices to be voted on are

Mayor - 4 year term and (2) City Council Member positions 4 year term each. The Candidate Filing Period Begins June 3, 2013 thru June 17, 2013. More information will follow as the filing period approaches.

### Building Permits

We hope spring is just around the corner. With it comes remodels, repairs, building of new sheds etc. REMEMBER to contact the Willard City Offices to see if a permit is required.

### Kindergarten Roundup

The Willard Elementary School is in the process of putting together Kindergarten Roundup. Our "Meet the Teacher" activity will be held in February. Kindergarten roundup will be held on March 11<sup>th</sup> - by appointment. If you know of any child living in Perry or Willard who will attend kindergarten next year please contact the school at (435-734-4934) or send a note to the school with the following information: Child's name, birth date, parent's name, phone number and address. We appreciate any help you can give us with this matter.

## Valuable Training opportunity!!

### C.E.R.T. T

The Community Emergency Response Team (CERT) Program educates citizens on potential hazards that may affect their homes and workplaces in the event of a disaster. This includes basic disaster rescue, fire extinguisher use, first aid, and other emergency procedures. Using the training, CERT members can help their neighbors and themselves in the event of a disaster. CERT members are trained to help their neighbors and themselves in the event of a disaster. The Spring C.E.R.T. (Community Emergency Response Training) Classes are scheduled to begin on February 20<sup>th</sup>. This training is provided to all Willard and Perry area residents ages 16 and older and is offered semi-annually as a public service by Willard City and Willard Fire Department. All Training Staff members and Instructors are volunteers. They freely share their time, skills and knowledge with class members to help them become better prepared for all types of emergency or disaster situations. We encourage every household to have at least one CERT trained family member.

Twenty four hours of Class Room/Hands-on instruction completes the training course. All classes are held at Willard City Office Building, 80 West 50 South.
