

# WILLARD CITY NEWSLETTER

## January 2013

0.0000

We recently experienced the first snowfall of the season. For the safety of city maintenance personnel and to avoid damage to your personal property, residents are reminded to remove any vehicles and trailers that are in the City right-of-way. Also, remove garbage cans from the road as soon as possible after garbage is picked up. For other motorists safety do not shovel snow from your driveway into the road. Willard City Ordinance Chapter 10-340 (B) states "It is unlawful to park a vehicle on a street at any time when such parking shall interfere with the City's efforts to remove snow from City streets or any other public works activities which require the removal of vehicles from the street." We appreciate your cooperation.

**Dog Licenses** - All dog licenses expired on December 31, 2012, and will become delinquent January 31, 2013. **All** dogs are required to be licensed. The licenses are available at the City offices. The cost is \$5.00 for dogs that are spayed or neutered and \$15.00 for those that are not. Proof of current rabies vaccination is also required. Rabies vaccinations are required every two years. **See the reminder for the Rabies Clinic on the back of the newsletter!**

**Business Licenses** - Business licenses also expired on December 31, 2012. Business licenses are required for anyone doing business within the Willard City limits. Costs are based on the type of business you have and those business owners of businesses licensed last year have been sent a reminder in the mail. If you have any questions, contact the City Office.

### **Water**

If the temperature is below freezing for an extended period of time you may want to consider leaving an inside tap dripping to prevent frozen water lines.

A payment drop box is located on the west side of the Willard City Offices for making payments after hours. Willard City Office hours are Monday thru Friday from 9:00am to 5:00pm. Water bills are sent out the 5<sup>th</sup> of the month and are due by the 20<sup>th</sup>. If you have any questions contact the Willard City Offices at 435-734-9881.

### **Police**

Police Chief Nate Thompson urges residents to SLOW DOWN when there is snow and ice on the roads. There were many accidents in the area during the recent snow storm. The main cause of the accidents is driving too fast. He also reminds residents with recreational vehicles, boats, utility or other various trailers to consider installing trailer locks to prevent theft. Also remember to lock enclosed trailers to protect the contents. Do not to leave vehicles warming up unattended.

### **Welcome to Willard**

We would like to welcome two new businesses to Willard City. The Apple Creek Bulk Food Store located at 875 North Main. Inside is an ice cream counter, a deli counter, and a large selection of Dutch Valley bulk foods.

Also at the same location is the Body Shop Gym which is a 24 hour full service gym that offers something for everyone contact Adam Pixton at 435-730-0512 for more information. Take a minute to stop by these businesses, check them out and welcome them to town.

### **Garbage**

**Garbage will be picked up on Monday January 21, 2013, Martin Luther King Jr. holiday.**
