

Willard City Corporation
80 W 50 S, PO Box 593 – Willard, UT 84340
435-734-9881 **Website:** www.willardcity.com
Hours: M-F 9:00 a.m.-5:00 p.m.

WHAT ARE YOU THANKFUL FOR?

WILLARD COMMUNITY HALLOWEEN PARTY (TRUNK OR TREAT)

Thank you to Jennifer Johnson and her crew and all the volunteers who provided trunks, directed traffic, and cleaned up. Also a big thank you to all those who donated candy and money to make the event possible. Hundreds of people were able to enjoy a

safe evening for our children and thousands of pieces of candy and prizes were passed out!

SNOW IS ON THE WAY!!!!

It is hard to believe we already need to prepare for snow. Please make sure vehicles, trailers, landscaping rocks, debris piles, etc. are not in the City right-of-way. This is for the safety of our drivers and will also avoid damaging the City equipment and your property. If the snow cannot be pushed off the asphalt it melts across the road and freezes during the cold nighttime hours. This causes hazardous conditions for drivers and pedestrians. Do not plow the snow from your driveway into the streets as it freezes and damages the snow plows as well as creates a hazard for motorists and pedestrians. It is also a violation of City Code!

Tis the Season

Some of you make it much easier than this!!! Many car thefts have been reported from people who have left purses, check books, wallets, electronics and other valuable items in plain sight in an unlocked vehicle. Please take these items out of your vehicles and lock the vehicle. Be sure and lock your house doors and report suspicious vehicles or individuals.

Chief Loveland would rather check things out and avoid such incidents. Call BE County dispatch at 435-734-3800 option 0 for non-emergencies and 911 if it is an emergency.

Upcoming Events

November 7

Planning Commission 6:30 p.m.

Important Announcements

**What brought you to Willard?
What would you like Willard to look like in 5 years? 10 years?
You can help shape the future!**

Consider serving on the Planning Commission!

Willard City Planning Commission is seeking applications from residents interested in serving on the Willard City Planning Commission. One vacancy will be filled immediately and the other January 1, 2020. Each are 3 year terms. Interested individuals may contact Bryce Wheelwright at 435-734-9881 for more information.

DEPARTMENTS

❖ Streets, Sewer and Water-

○ Water –

Water Meters – The snow season is coming upon us. As the snow flies please make sure your meters are accessible in case of an emergency. If it begins to get below freezing for a period of time consider leaving a tap dripping to avoid frozen lines. **Pay attention to your water usage.** Average winter usage is 5,000-10,000 gallons per household. If your usage is going up during the winter months and you haven't had a lot of company, you may have a leak!

- **Sewer-** The Public Works Department personnel have completed their annual visual inspection of the sewer manholes. This is required annually to determine if there are any problem areas that could cause backups in the system. They have reported the system looks good. Residents are reminded not to flush diapers, needles, flushable wipes (check out this story <https://www.star-telegram.com/news/nation-world/national/article220093010.html>) and other items that could cause potentially dangerous backups or damage to the system. The property owners are responsible for the sewer line from the home to the main line. Know what is going down your drain. Back-ups are messy and costly. Make sure sewer cleanouts are cut off at ground level and capped or protected to avoid breaking them off and protecting them from debris which can block the line.

- **Streets –** Please keep the City right of way clear of debris and remember to move trailers and vehicles well off the road. We hate to say the “s” word, but we do need to get ready for it!

❖ Police

- **Chief Loveland** reminds residents once again to call dispatch 435-734-3800 Option 0 to report thefts that have past occurred, request VIN verifications, or any other reason you need a police officer to respond. City office personnel do not have direct contact with the officers. Call 911 if it is an emergency such as a fire or if you are in danger.
- **Do you have an address on your house?** Is it visible or large enough to be seen from the street during the day and illuminated at night? By not having readable numbers, this could delay emergency personnel in getting to you quickly. If you can't see your house numbers from the street, neither can emergency personnel.

How do they know?

(See above)
