Happy New Year!!!

RABIES CLINIC **SATURDAY – JANUARY 7, 2017** **10 AM-NOON**

Rabies Clinic - For the convenience of the residents Willard City will hold a rabies clinic. The clinic is scheduled for Saturday, January 7, 2017, from 10 a.m. to 12 noon at the Fire Station. Licenses will also be available on that day.

Dog Licensing -It is time to renew licenses. Licenses must be renewed by January 31, 2017 to avoid late fees. The cost of a license is \$5.00 for dogs that are spayed or neutered and \$15.00 for those that are not. Please contact us if you no longer have your dog or dog has passed away so it can be removed from our list.

Business Licenses -Business licenses also expired on December 31, 2016. Reminders were sent to 2016 licensed businesses. Business licenses are required for anyone doing business within the Willard City limits. If you have any questions, contact the City Offices at 734-9881.

Let it Snow!!!

All of the streets in the area look like the picture above. Winter sports enthusiasts are enjoying the recent storms. For others they will appreciate it much more when they are able to water the lawn this summer. We all are finding it more difficult to figure out where to put it. The plows have been rolling. Residents can help by keeping vehicles and trailers off of the streets. There are areas where it is too narrow to get the plow through safely if there are vehicles, trailers, etc. parked along the street. These areas will not be plowed if there are obstructions.

Important Announcements

Update - UDOT I-15 Project- Construction is completed, at least until spring when some final will take place.
www.udot.utah.gov/i15boxelder.

Hwy 89 widening Project – We have received word UDOT will be widening highway 89 to increase the pavement on the sides of the road. We will pass along more information as we receive it. Construction is planned to begin the Spring of 2017.

- ❖ **Streets and Water-** Winter is here and we have experienced snow and cold temperatures.
 - **Streets** – The snow plows have been rolling. Residents are asked to move trailers, garbage containers as quickly after pick-up as possible, and vehicles from the sides of the streets to avoid damage and to allow the snow plows to move the snow as far off the pavement as possible. Do not plow snow from driveways into the street as it freezes and creates a danger for other motorists.

- **Water** – The temperature has dropped and we experienced a number of days below freezing. Even as the temperature rises above freezing be aware of the possibility of frozen water lines. A slow drip is all it takes to keep your lines flowing. This is especially important if your meter or water line is in an area that is shaded.
- **Sewer-** Property owners are responsible for the sewer clean out at or near the property line. Make sure sewer cleanouts are cut off at ground level and capped or protected to avoid breaking them off.

- ❖ **Police**

- **Winter Driving** –Our Police Chief and Police Officers urge, beg and plead for motorists Slow Down!!! Even when it might not appear to be bad outside, conditions can quickly change. Allow extra time for travel. Make sure all of your windows are cleared of snow and ice. Check windshield wipers and fluid beforehand to make sure they are functioning properly and check your tires to make sure they have adequate tread on them. Locate your insurance cards and registration and make sure they are accessible in your vehicle in case of an unfortunate incident. Also watch for deer as they come down in search of food.
- **Lock your vehicles** - Make sure you lock your vehicle doors, even when your car is parked in your driveway and do not leave purses, electronics, cell phones or packages in plain sight in your vehicle. Report any suspicious activity in your neighborhoods by calling Dispatch at 435-734-3800 for non-emergencies or call 911 if it is an emergency.

Upcoming:

Spring CERT Classes – March. More information and dates will be in the February Newsletter.

Martin Luther King, Jr. Day – January 16, 2017
