Happy Thanksgiving

Attention: ALL Willard CERT Trained Personnel,

The final Fall 2016 Training Class to provide **REFRESHER CLASSES FOR PREVIOUSLY CERTIFIED CERT MEMBERS** will be held on **November 12, 2016**. To maintain CERT CERTIFICATION - each CERT member is required to complete refresher classes annually. We will provide these refresher classes during our normal fall training dates. CERT members will have the option to pick and choose from the classes that are offered. Each CERT member should be receiving this update info via E-mails and Texts from CERT Leaders, as well as from their CERT Calling Tree Supervisors and/or Captains.

WILLARD COMMUNITY HALLOWEEN PARTY (TRUNK OR TREAT)

Thank you to Jennifer Johnson, all the volunteers who provided trunks, cooked scones, directed traffic and cleaned up. Also a big thank you to all those who donated candy and money to make the event possible. Hundreds of people were able to enjoy a safe evening for our children and thousands of pieces of candy and prizes were passed out!

IT'S ON THE WAY!!!!

It is hard to believe we already need to prepare for snow. Please make sure vehicles, trailers, landscaping rocks, debris piles, etc. are not in the City right-of-way. This is for the safety of our drivers and will also avoid damaging the City equipment and your property. If the snow cannot be pushed off the asphalt it melts across the road and freezes during the cold nighttime hours. This causes hazardous conditions for drivers and pedestrians.

Tis the Season

Some of you make it much easier than this!!! Many car thefts have been reported from people who have left purses, check books, wallets, electronics and other valuable items in plain sight in an unlocked vehicle. Please take these items out of your vehicles and lock the vehicle. Be sure and lock your house doors and report suspicious

vehicles or individuals. Chief Loveland would rather check things out and avoid dispatch at 435-734-3800 option 0 for non-emergencies and 911 if it is an emergency.

Upcoming Events

- November 3**
Planning Commission 6:30 p.m.
- November 10**
City Council – 6:30 p.m.
- November 11**
Veteran's Day – City Office Closed

- November 24**
Happy Thanksgiving – City Office Closed
- November 25**
City Office Closed

The agendas for the meetings are posted at City Hall and on the State of Utah Public Meeting Notice website at www.utah.gov/pmn.

Important Announcements

Update - UDOT I-15 Project- Construction is nearing completion. They still hope to complete the project in November before Thanksgiving. Please slow down and pay special attention in the construction areas and along Highway 89 where there has been a significant increase in traffic. Residents can sign up for email alerts and more project information by going to the following link: www.udot.utah.gov/i15boxelder.

They can also be found on Facebook and Twitter:

[Facebook.com/udot-@UDOTregionone](https://www.facebook.com/udot-@UDOTregionone)

WILLARD CREEK DEBRIS BASIN PARK

Many have noticed the addition of the bridge and paved walking trail in the Debris Basin area. We are excited about this new recreation area. The project; however, is not yet complete and there are safety issues that are being addressed. Caution tape, signs and blockades have been put on either side of the bridge for the safety of our citizens and mostly our children. Please leave them in place until they are removed by City Personnel after these safety measures have been put in place. The trail is available to walk and bicycle on. **No motorized vehicles are allowed on the trail. The trail has not been designed for motorcycles, side by sides, ATVs of any sort and especially cars and trucks.** These will damage the track and will result in costly repairs. Please report any motorized vehicles you see on the trails with a description of the vehicle and license plate if at all possible. This is going to be a great addition to our community and we ask that the citizens keep an eye out for those that are causing damage to it.

DEPARTMENTS

❖ Streets, Sewer and Water-

○ Water –

Water Meters – The snow season is coming upon us. As the snow flies please make sure your meters are accessible in case of an emergency. If it begins to get below freezing for a period of time consider leaving a tap dripping to avoid frozen lines.

○ **Sewer-** Property owners are responsible for the sewer line from the home to the clean out at or near the property line. Make sure sewer cleanouts are cut off at ground level and capped or protected to avoid breaking them off and protecting them from debris which can block the line.

○ **Streets –** Please keep the city right of way clear of debris and remember to move trailers and vehicles well off the road. We hate to say the “s” word, but we do need to get ready for it!

❖ Police

○ **Chief Loveland** reminds residents once again to call dispatch 435-734-3800 Option 0 (or 911 if it is an emergency) to report thefts, request VIN verifications, or any other reason you need a police officer to respond. City office personnel do not have direct contact with the officers.

MORE.....

The Brigham City Senior Center offers many activities for individuals 60+. Check out their most current newsletter at <http://brighamcity.utah.gov/senior-center.htm>

Bear River Health Department offers several services for residents. Visit their website at <http://www.brhd.org/> to read more about what they have to offer.
