Happy Halloween!

Attention: ALL Willard CERT Trained Personnel,

Changes are constant - and so it is within the CERT program.

There are new emphasis features within the CERT program. CERT instruction and certification requirements have changed.

It is our hope to keep pace with these changes. Sue Anderson and her crew are continually upgrading and improving our current CERT Training certification procedures. We want to insure that our Willard CERT Team is the greatest and best in the Country. (Okay, Okay - in the State). Because of these new procedures we will **NOT** be holding the regular CERT Basic Training classes this Fall. The Basic CERT course will be taught, as usual, in the Spring 2018.

The Fall 2017 Training Class time will **HAVE REGULAR AND REFRESHER CLASSES FOR PREVIOUSLY CERTIFIED CERT MEMBERS**. To maintain CERT CERTIFICATION - each CERT member is required to complete refresher classes annually. We will provide these refresher classes during our normal fall training dates. CERT members will have the option to pick and choose from the classes that are offered. See the back for more information.

Links to check the index are available at www.willardcity.com or by calling the Box Elder County Fire Marshal at 435-734-3345. The Division of Air Quality regulates this, not the County Fire Marshal. DEPARTMENTS

❖ Streets, Sewer and Water-

- **Water** – Water Meters – The snow season is coming upon us. As the snow flies please make sure our meters are accessible in case of an emergency. Temperatures are beginning to fall. Be sure to properly winterize sprinkling systems to avoid broken lines and costly leaks. Pay attention to the usage on your water bill. Get a good idea of what your average usage is and compare it from month to month!
- **Sewer**- Property owners are responsible for the sewer line from the home to the clean out at or near the property line. Make sure sewer cleanouts are cut off at ground level and capped or protected to avoid breaking them off and protecting them from debris which can block the line.
- **Streets** – Please keep the city right of way clear of debris and remember to move trailers and vehicles well off the road. We hate to say the “s” word, but we do need to get ready for it!

❖ Police

- **Chief Loveland** reminds residents once again to call dispatch 435-734-3800 Option 0 (or 911 if it is an emergency) to report thefts, request VIN verifications, or any other reason you need a police officer to respond. City office personnel do not have direct contact with the officers.
